 - Distributed October 1st

Draft Proposal

The Maricopa County Library District (MCLD) will annually return 50% of tax revenue received through assessment on incorporated cities back to the cities through a reciprocal borrower reimbursement program.

The Maricopa Association of Governments (MAG) Library Stakeholders group may modify the terms of the reciprocal borrower reimbursement program or develop other equitable methods for distribution of the funds, by mutual agreement of the Stakeholder's Group and the MCLD.

In order to minimize disruption to the MCLD, the Stakeholder's Group recommends that the 50% reimbursement rate be phased in over a multi-year period not to exceed ten years, beginning in Fiscal Year 2010-2011, on a schedule which is mutually acceptable to both the Stakeholders Group and the MCLD.

Progress Update

- **October 5th**
 - MCLD staff notify MAG staff of OMB review
- **November 2nd**
 - MCLD letter
