Love Field Airport in Prescott.</p> <p>* \$20 million from General Fund to Kingman for traffic interchanges on I-40 east of SR-66.</p> <p>* \$28 million from General Fund to expand US Route 95 between Yuma and Yuma Proving Ground.</p> <p>* \$18 million from General Fund for hwys & streets divided equally among all Arizona cities and towns.</p> <p>* \$393.4 million from State Hwy Fund to ADOT for hwy construction (roughly \$30 million increase from last budget.)</p> <p>* \$33.1 million from State Aviation Fund to ADOT-administered Airport Capital Improvement Program (roughly \$14.3 million increase from last budget.)</p> <p>* \$130 million over three years from State Hwy Fund for I-17 widening distributed as follows: \$40 million in 2019-20, \$45 million in 2020-21 & \$45 million in 2021-22. Unlike previous projects listed above, I-17 is funded with existing transportation dollars from the State Hwy Fund rather than new General Fund revenues. Funding these I-17 improvements was the Governor’s intended use of the HURF revenue that would be initially retained for infrastructure after last year’s enactment of the Hwy Safety Fee and anticipated end of the HURF transfers. Due to HB2752, the criminal justice budget bill, that Fee will now be repealed after June, 2021 which is problematic for funding the second and third years of this I-17 funding plan.</p>	<p>Introduced in House on 5/21, passed House Approps Cmte 7-4 on 5/22, amended by House on 5/25, passed House 31-28 on 5/25, sent to Senate, substituted for SB1549, passed Senate 16-13 on 5/27.</p> <p>* GOVERNOR SIGNED ON 5/31.</p>
