What You Told Us About Spine in 2015.

In February and March 2015, the Spine Study team held three public meetings throughout the study area and conducted a two-month online survey with remarkable results. More than 1,800 people participated in the process and shared more than 4,390 comments. Here’s what you shared:

We asked for...

You said, my priorities are...

- Improve Commute
- Add Travel Choices
- Protect the Environment
- Increase Connections
- Promote Neighborhood
- Improve Commerce
- Maximize Value
- Enhance Affordability

You showed us...

- Improved Traffic Congestion
- Increased Safety
- Enhanced Public Transit
- Improved Cycling/Pedestrian Access
- Increased Travel Modes
- Enhanced Freeway Lanes
- Improved Street Lanes

What strategies would you prefer?

Providing alternative travel modes, improving freeway access, and adding new freeway lanes are your top three preferred strategies.

What challenges do you experience in the Corridor and where are they?

- 1,887 pins: Traffic Congestion
- 484 pins: Safety
- 426 pins: Public Transit
- 327 pins: Cycling/Pedestrian
- 288 pins: Access
- 126 pins: Other

... by placing 3,538 pins on a virtual map.

93% of you said to build something rather than do nothing.
