Proposition 479
ALCP STATUS REPORT
FY2026 January – June 2026

PROP 479
ALCP

01. OVERVIEW

The Arterial Street Life Cycle Program (ALCP) is maintained by the Maricopa Association of Governments (MAG) and implements arterial street projects funded as part of the Proposition 479 program. The ALCP provides regional funding to widen existing streets, improve intersections, and construct new arterial segments. The program also provides information on MAG planning studies and project implementation of the regional arterial Intelligent Transportation System (ITS) Plan funded in the program.

ALCP Revenue and Finance

In November 2024, the voters of Maricopa County approved Proposition 479, which extended the half cent sales tax for transportation through 2045. The tax extension was divided among freeways (40.5 percent), transit (37 percent) and arterial streets (22.5 percent). The portion of the tax extension allocated is managed through the ALCP and deposited into the Regional Area Road Fund (RARF) arterial account on a monthly basis. Proposition 479 collections began on January 1, 2026. A breakdown of revenues by mode collected from November 2025 to June 2026 for the current fiscal year is provided in Table 1.

Project Highlight

HAWES ROAD: RITTENHOUSE ROAD TO JUDE DRIVE

The Town of Queen Creek is planning to widen and improve Hawes Road between Rittenhouse Road and Jude Drive. Improvements include widening Hawes Road by two lanes and adding a center two-way left turn lane and intersection improvements at Queen Creek Road. Project will improve the flow of traffic and add needed safety features. Project used to be a part of a larger segment on Hawes Road from Rittenhouse Road to Chandler Heights but was segmented into two projects at the request of the Town.

FY 2026 Proposiiton 479 Arterial Life Cycle Program

On June 25, 2025, the MAG Regional Council approved the FY 2026 Proposition 479 ALCP and amendments to the MAG FY 2025-2030 Transportation Improvement Program.

An electronic copy of the FY 2026 ALCP may be downloaded from the MAG website.

ALCP Project Status

Detailed information about projects underway is provided in Tables 3 and 4.1. Table 3 includes all projects programmed for work and/or reimbursement in FY 2026, the amount programmed for reimbursement in FY 2026, and ALCP project requirements submitted to-date. Table 4.1 will detail project reimbursements and expenditures for projects as they become underway. There are currently no underway Proposition 479 ALCP Projects.

This is the 2nd Status Report for the Proposition 479 ALCP. Semi-annually, MAG provides member agencies with an update on the projects in the ALCP. This report and all other ALCP information are available online at the Prop 479 ALCP homepage.
