RE: FY 2022-2025 MAG TIP Amendment #26

Dear Mr. Patane:

On Wednesday, June 26, 2024, the MAG Regional Council approved amendments and modifications to the Fiscal Year (FY) 2022-2025 Transportation Improvement Program (TIP). In addition, administrative amendments are included that did not require MAG Regional Council approval. MAG requests the Arizona Department of Transportation's approval of the amendments and modifications, and their incorporation into the State Transportation Improvement Program (STIP).

The approved amendments and modifications were developed in accord with applicable air quality consultation requirements and were determined to be exempt for air quality purposes or as minor project revisions that do not require conformity determinations. It is important to note that Tables A-1, B-1 and C-1 received approval for a new finding of conformity in today's Regional Council meeting. Listings detailing the approved changes are enclosed with this letter.

Your timely action is greatly appreciated. Please contact Patrick Stone or me if you need additional clarification regarding these amendments.

Sincerely,

Ed Zuercher
Executive Director
