Dear Mr. Hossain:

On Wednesday, March 26, 2024, the MAG Regional Council approved amendments and modifications to the Fiscal Year (FY) 2025-2030 Transportation Improvement Program (TIP). MAG requests the Arizona Department of Transportation's approval of the amendments and modifications, and their incorporation into the State Transportation Improvement Program (STIP).

The approved amendments and modifications were developed in accord with applicable air quality consultation requirements and were determined to be exempt for air quality purposes or as minor project revisions that do not require conformity determinations. Listings detailing the approved changes are enclosed with this letter.

Your timely action is greatly appreciated. Please contact Wendy Miller or me if you need additional clarification regarding these amendments.

Sincerely,

Ed Zuercher  
Executive Director
