RE: FY 2026-2030 MAG TIP Amendment #6

Dear Mr. Feek:

On Wednesday, June 24, 2026, the MAG Regional Council approved amendments and modifications to the Fiscal Year 2026-2030 Transportation Improvement Program. MAG requests the Arizona Department of Transportation's approval of the amendments and modifications, and their incorporation into the State Transportation Improvement Program.

The approved amendments and modifications were developed in accord with applicable air quality consultation requirements and were determined to be exempt for air quality purposes or as minor project revisions that do not require conformity determinations. It is important to note that Tables A1, B1, C1-400, C1-479 and D1 received approval for a new finding of conformity in today's Regional Council meeting. Listings detailing the approved changes are enclosed with this letter.

Your timely action is greatly appreciated. Please contact Wendy Miller (602-254-6300) or me if you need additional clarification regarding these amendments.

Sincerely,

Audra Koester Thomas
Executive Director
